

**HOLLYWOODIVERS
STUDENT AGREEMENT
323 969 9800**

This Document is to help clear up any un-answered questions and cause efficiency in training.

1. Have you paid for your class, boat fees, rental fees etc?
2. Additional fees? Parking, food, air fills etc. You will need incidental cash.
3. Waivers signed? Medical History form? Doctors approval? Overall health?
4. Schedule and logistics planning. (your instructor will give you the info)

Hollywoodivers student pre-requisites. Please adhere to a few simple requests...Pretty Please?

Good attitude! Are you willing to let us help you learn? Tell us why you want to scuba dive? Are you planning a trip?

Save the partying until after the class is over. Oversleeping and hangover sickness / sea sickness are the number one reasons why students don't pass the scuba class! Booze and diving do not mix. Go to bed early the night before your water training. Being fashionably late will earn you missed boats, missed dives and make up fees. 6 am means 6 am, the Catalina express and the dive boats leave on time and do not wait.

Treat boat tickets like airline tickets. You miss the flight, you buy another ticket.

1. Average to good swimming ability and watermanship. If you are out of shape, uncomfortable in the water or suffer from claustrophobia, you may need additional water training. The additional water training is at the discretion of the instructor and is only for your safety. The training is available as private or group. If you need group training it is cheaper but private training may be more desirable if you need personal attention. Private water sessions are 175.00 including the rental equipment and are payable to Hollywoodivers only.

Certification agreement

1. I promise to show up to my sessions on time, with a clear head and all my equipment in hand. I understand that the instructor is not responsible for training me if I am hungover, missing required gear or late. Make up sessions or dives are billable at 75.00 per hour payable to Hollywoodivers only. Instructors are not to collect cash from any student. _____
2. If I forget any required gear and rent it at the dive site, these fees are not covered by Hollywoodivers. It is not the Instructors duty to bring extra gear to the site. _____
3. Hollywoodivers rentals are subject to rinse fees (20 dollars per item) and Late fees. Please bring your rentals back no later than two days after your class finishes. Bring it back clean. No Sand or Dirt, no smell. Wet is okay. Thanks. _____
4. Please Take precautions against rental gear theft. If the Rental gear is lost or stolen I am responsible for gear replacement fees. _____
5. I promise not to use the gear without supervision of my scuba instructor. _____
6. I understand this class is a group class and I should make every effort to be suited up and prepared to dive when the majority of the class agrees to be suited up. _____
7. I understand that weather is unpredictable and the instructor or boat captain has final discretion over diving activities. If conditions are deemed unsafe, it is for your protection and a make up day will need to be scheduled with the group. _____
8. I understand I am not paying for a certification card. I will be evaluated on academic, pool and open water skills. Even though I attend and pay for all segments of training a certification is not guaranteed. I must pass the class with a level of comfort in the water. _____
9. I will prepare for the pool session by breathing in through my snorkel and exhaling through my nose while my face is submerged in water. Sink or Bathtub ok _____
10. If I do not dive within 6 months of my certification or 6 months have elapsed between diving. I will take a refresher course from any scuba shop to help me remember proper diving technique and safe practices _____
